

Nonprofits: Foundations for Success - Coming to Henderson!

We would like to personally invite you to a very special education session for nonprofit professionals interested in breathing new life into your development program!

In this *free* session - hosted jointly by **Linda Lysakowski, ACFRE** of **CAPITAL VENTURE** and **eTapestry**:

We'll begin by discussing the how to effectively utilize volunteers in all aspects of your development program. We'll talk about the role of the staff, board, and volunteers in the development program, where to find good board members and volunteers, how to recruit them and how to keep them involved and energized!

We'll also explore all the various aspects of an often under-utilized aspect of development: Web Site and e-Mail relationship building as it is being used in today's charity world. The promise of the Internet revolutionizing the development office and the art of fundraising is now upon us - and you will be surprised at how simple it can be!

Attendees at the briefing will learn:

- The roles of Board, Staff, and Volunteers in Fundraising
- Recruiting Board Members and Fundraising Volunteers
- Building an Effective Team
- Keeping Board and Fundraising Volunteers Involved & Energized
- Numerous E-Philanthropy and Web Based tools and techniques
- Become familiar with current research on these tools and techniques in our sector
- Learn how exciting and fruitful the use of Web based functions and procedures can be to building relationships and increasing fundraising outcomes
